TAX INCENTIVE UNDER INVESTMENT ACCOUNT PLATFORM (IAP)

Current Position

IAP is a new funding model based on syariah principle with the aim to finance projects and venture companies. The objective of IAP is to attract participation from individual and institutional investors to boost development of small and medium enterprises (SMEs) as well as entrepreneurs through a funding system which is efficient, simple and transparent.

Proposal

To ensure IAP is able to facilitate the provision of funding for the benefit of both parties namely investors and SMEs as well as entrepreneurs through effective projects financing, it is proposed that profit earned by individual investors from investments made through IAP be accorded income tax exemption.

This incentive is subject to the following conditions:

- i. Tax exemption shall only be accorded for 3 consecutive years starting from the first year profit is earned;
- ii. The investment is made for a period of 3 years starting from the operation date of IAP;
- iii. Tax incentive shall only be accorded for investment activities in Malaysia, in venture companies owned by Malaysian or locally incorporated companies;
- iv. Tax exemption shall only be accorded for investments made in SMEs and venture companies in any sectors; and
- v. Definition for SMEs is as per the latest definition issued by SME Corporation Malaysia.

Effective Date

From the operational date of IAP scheduled to be from 1 September 2015 to 31 August 2018.
